A LETTER FROM THE HEADMASTER

Charlestown High School Graduates in the Class of 1996. Congratulations, you have reached a passage point in your lives. You are a special and wonderful group of young adults. Your talents, your performance in the classroom, and on the athletic field, in theater and dance, at the worksite, and in your communities are to be applauded.

Hopefully, you will reflect on your experiences at Charlestown High School and recognize that this has been a wonderful four years. As you leave and prepare for the next steps in your life go with courage, pride and purpose. You will be remembered and missed! Reach for the stars.

Good Luck and God Bless all of you!

Sincerely,

Marilyn Hurwitz

One and Only...

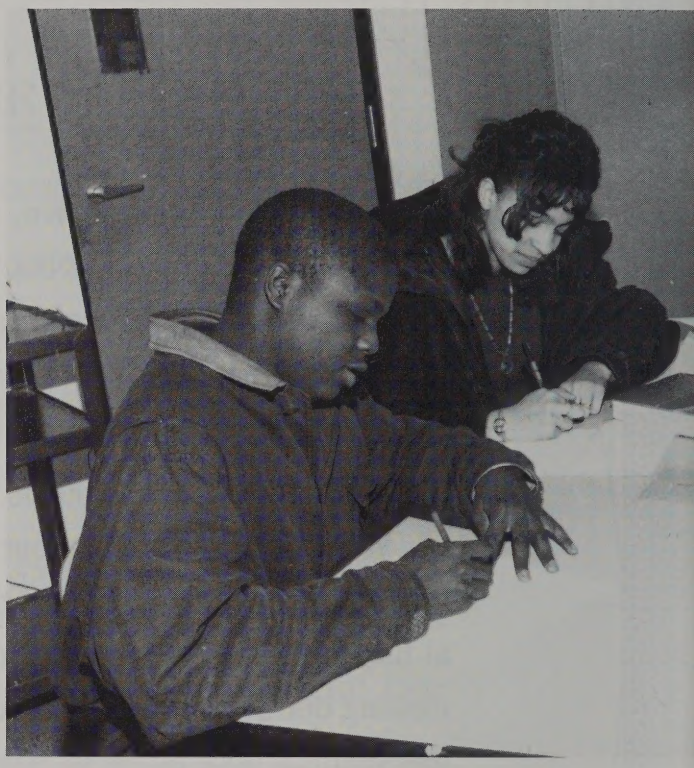
by Luana Morales

The pink, beige, brown, and yellow rainbow over Charlestown High is what makes us beautiful. The diversity of races, colors, and creeds, and the harmony that is shared at Charlestown High is what makes us special. You can say we're "**one and only**" and that's what sets us apart from all the others.

When we reflect on our last year of school and remember Val smoking in her office, Mr. Toland's whistle at the end of lunch, and the Brat Pack of security guards making our lives miserable. We'll also remember how fast this year has gone by for us. There's no going back...

So this it y'all ! This June the last day of school will be*the* last day of school. After graduation we will get to enjoy the "adult world", as they say. When we walk across that stage nervous, excited, and teary-eyed and receive that diploma in our hands, that will be the first stepping stone to the merits that we will all hopefully receive later on in life. Some of us will go to college, the military, straight to work, or start a family. With hard work and determination we will reach our personal goals, whatever they may be.

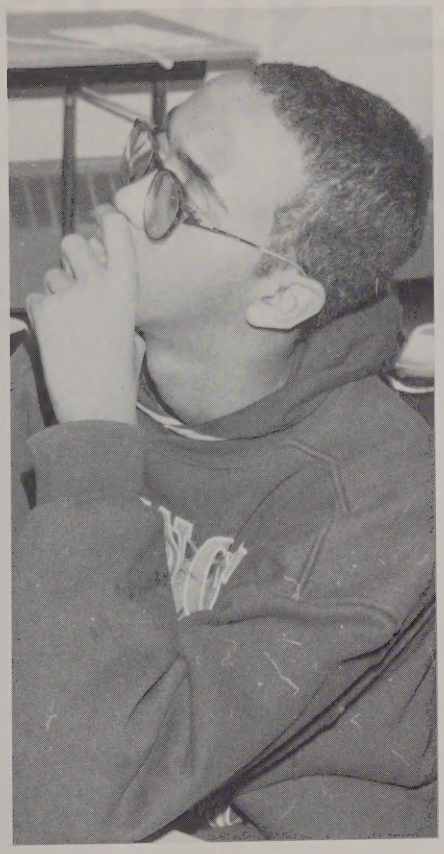
Seniors working together.

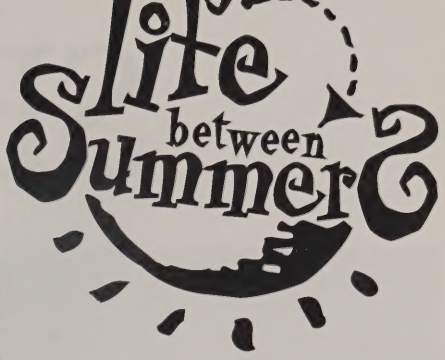


Come on!!! We're waiting.

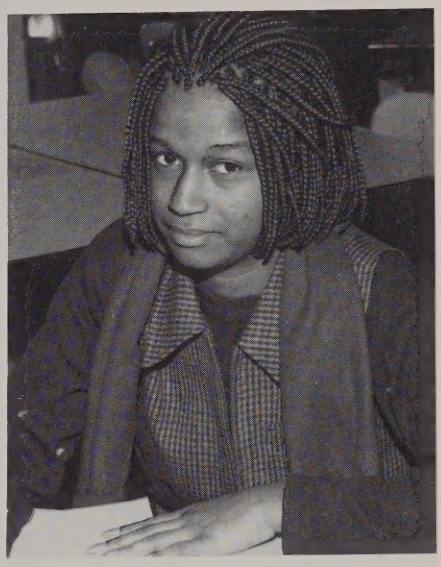
I got it!!! I got it!!!

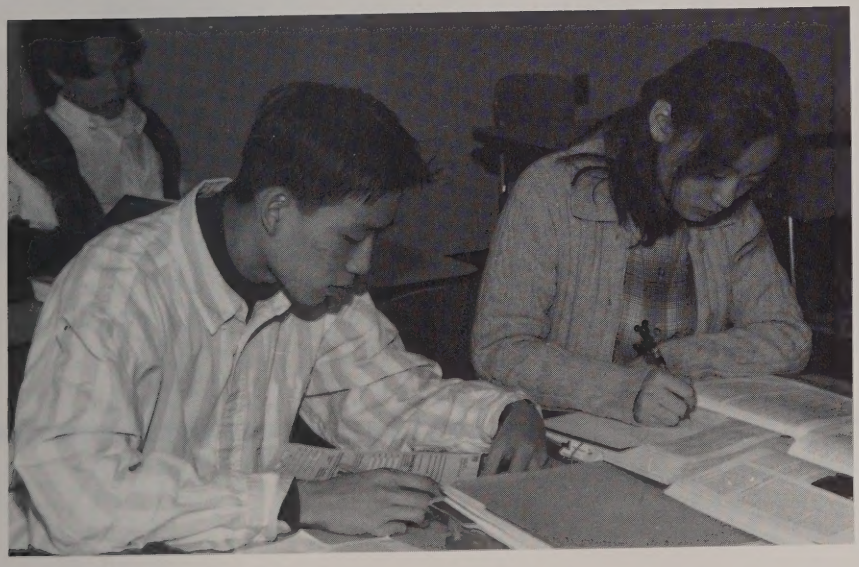
Is it right or wrong?



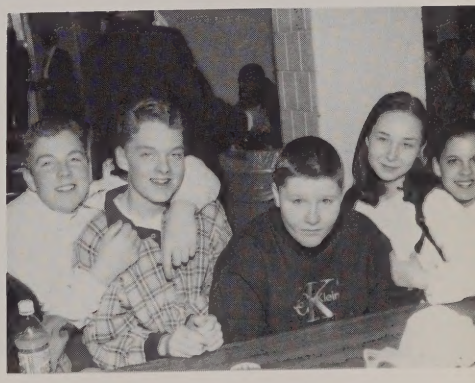


I'm ready when you are.





This is sooooo interesting. Don't you think?

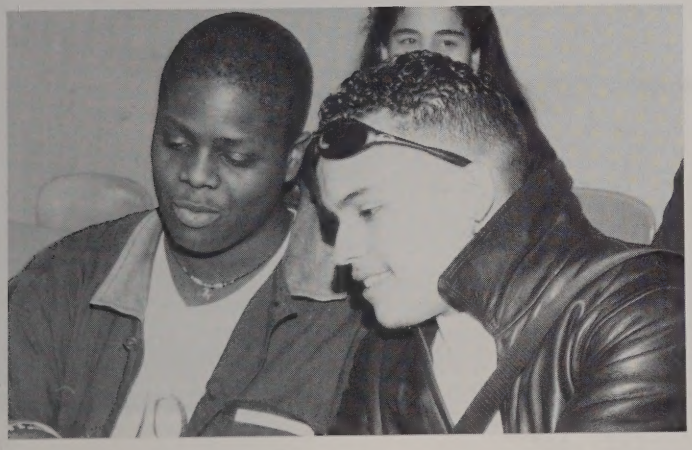


Friends forever.

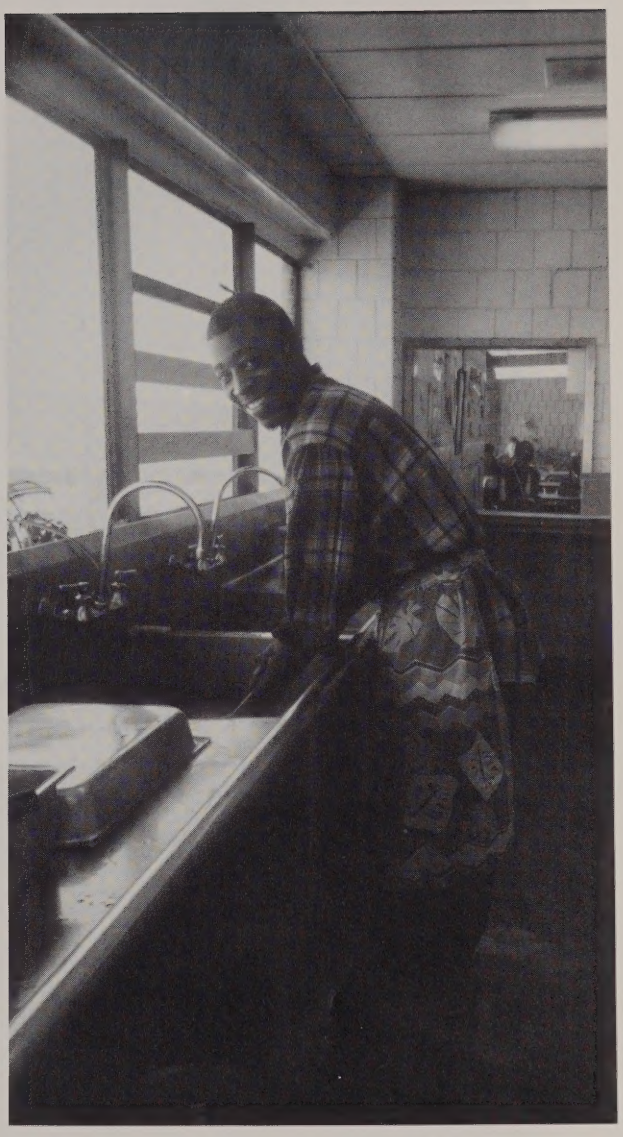
SENIORS

Spending our last moments together

JoJo Lao and Rita Wong.



Tell me now, the teacher isn't looking.



Yeah, thought I couldn't do it huh?
